EXPERIENCE

Full Stack Developer (Next.js)

Butterfly Digital (Jul 2025 – Dec 2025) – Toronto, Canada (Remote)

- Built scalable full-stack applications using Next.js and Node.js.
- Developed responsive, SEO-focused UIs and automated business workflows.
- Integrated AI-driven features to enhance product functionality and efficiency.

Full Stack Developer (MERN)

Bigmod Technologies (Jun 2024 –Aug 2025) – Rampura, Dhaka (Remote)

- Led full-stack development of a Hospital Management ERP (90% personal contribution), ensuring real-time updates, rapid interactions, and efficient caching.
- Engineered a complex online news portal using Next.js (SSR, SSG, ISR) and Node.js.
- Boosted performance by up to 60% and SEO by 70% across 8 diverse projects through strategic optimizations.

Lead Frontend Developer (Next.js)

Shothik AI (Oct 2024 – Jan 2025) – Uttara, Dhaka (Remote)

- Developed cutting-edge AI-integrated frontend features using React.js and Next.js, including OCR, paraphrasing, and proofreading functionalities to enhance content processing.
- Boosted SEO rankings and reduced page load times for AI-generated content through strategic optimizations.
- Built a secure, role-based dashboard with advanced access control to optimize user workflows.

Frontend Developer (Next.js)

Zonely (Dec 2023 - Sep 2024) – Jatrabari, Dhaka (Hybrid)

- Led 85% of frontend development for an EdTech platform using Next.js, implementing a highly secure online quiz system with robust user, time, and IP tracing capabilities.
- Engineered a custom Content Management System (CMS) for eBook, optimizing for rapid loading and seamless performance across all devices.
- Built a custom Text-to-Audio system for eBooks using vanilla JavaScript and integrating it with React.

Frontend Developer (React.js)

Ionic Corporation (Sep 2023 - Dec 2023) – Rayerbag, Dhaka (Onsite)

- Built responsive, mobile-first interfaces using React.js and Tailwind CSS.
- Converted UI/UX designs into reusable components and integrated REST APIs.
- Improved performance, fixed UI bugs, and ensured cross-browser compatibility.
